Canada & United States Coverage

FCPP covers your vehicle anywhere in Canada and the continental United States.

Direct Response

FCPP will quickly and efficiently handle your claim. Repair costs are paid directly to the repair facility on authorized services, saving you from out-of-pocket expenses and the inconvenience of waiting for reimbursement.

Transferable Coverage

In the event you choose to sell your vehicle, you can apply to transfer the coverage to the next owner for the remainder of Policy/Contract term.

Deductible

Plans have a choice of \$100 or \$200 deductible per repair visit, plus applicable taxes, on all covered repairs. In the event the same component fails again, no deductible will be charged for its repair or replacement.

Reducing Deductible

The selected deductible will be reduced by \$50 when repairs are performed at your selling dealer.

Experience Based Refund (EBR)

(Coverage included in select Mechanical Breakdown Policies)

If the Plan selected on your Mechanical Breakdown Insurance Policy includes EBR (Experienced Based Refund), you can apply for a refund as soon as the Policy has expired by time. Refunds are based on the amount you originally paid for the Policy, up to a maximum of \$2,000, less your deductible. Criteria for EBR claim include:

- Original Policyholder must still be registered owner of vehicle.
- No mechanical or any other benefit claims were made during the entire term.
- EBR claim must be requested and received in
- the allotted time frame.

See EBR terms and conditions on Policy for complete details
