Platinum AutoGuard agreement includes:

Dents & Dings

Dent or ding (A) that is less than 10 centimeters in width or length, (B) that is on an accessible, exterior, vertical painted, factory sheet metal body panel, and (C) which can be repaired by the paintless dent and ding removal method. The paintless ding and dent removal method uses specialized tools and processes that do not involve sanding, repainting or otherwise affect the factory finish of the Vehicle's exterior surfaces.

Exterior Scratches

Scratches that are less than 30 centimeters in width or length, on any accessible, exterior, vertical painted, factory sheet metal body panel, that are not through to the primer coat, or to the sheet metal and can be buffed or polished.

Cuts, Tears, and Burns

Accidental cut, tear, or burn that (A) is less than 5 centimeters in length, and (B) penetrates the original factory interior leather, cloth, or vinyl upholstery.

Accidents do happen.
Don't worry, we'll fix them.
